

RELIABLE CBD INGREDIENT SOURCE

TRUST THE LEADER IN CANNABIS RISK MANAGEMENT

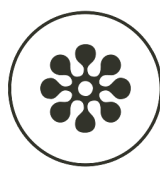

ABOUT US

We are a small company with large company discipline to ensure industry-leading genetics, price risk management, and state of the art cannabinoid ingredient systems.

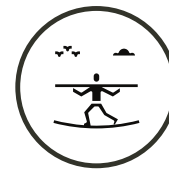

LEADING GENETICS

Balancing output and agronomic traits with optimal cannabinoid profiles, NDS delivers superior ingredients for the products your customers love.

PRECISION FORMULATION

Decades of expertise in ingredient science delivers winning, proprietary formulas for market-ready products.

MANAGED RISK

Identity-preserved supply chain provides transparency, traceability, supply assurance, and stable, predictable pricing to protect your brand and budget.

MEET OUR FOUNDER

Most recently a leader in Cargill's Global Edible Oils Specialities Business, Kyle Marinkovich started Northern Diversified Solutions to bring discipline and experience managing identity preserved grain and oilseed ingredients from farm to end use customers.
